

HONG KONG BAPTIST UNIVERSITY

Task Force on Review of the HKBU Ordinance

Summary of discussions at the second meeting held on 22 December 2015

1. The Task Force discussed the focus areas identified for consultation, the consultation process and the draft consultation paper. It was agreed that the consultation paper, after revision, should be distributed to the stakeholder groups identified (i.e. students, staff, alumni, Council and Court members, donors and supporters of the University, and community leaders) in early January 2016 prior to the consultation meetings.
2. There will be a minimum of two rounds of consultation and the first round will be conducted between January and March 2016. While the consultation paper will be prepared in English, during the consultation meetings, Cantonese, Putonghua and English will be used interchangeably to facilitate discussion.
3. For greater transparency and to enable students on exchange and overseas alumni to be aware of the review exercise and be able to give their views thereto, a website on the review exercise attached to the HKBU Homepage will be established.
