

# HONG KONG BAPTIST UNIVERSITY

## Task Force on Review of the HKBU Ordinance

### Summary of discussions at the third meeting held on 18 January 2016

1. The Task Force discussed the issues concerning the consultation process. It noted that since the release of the consultation paper on the review of the *HKBU Ordinance* as well as the schedule of the face-to-face consultation meetings to the University community and on the University website, the University has received numerous enquiries and views from stakeholders of the University concerning legal issues pertaining to the current review exercise.
2. In view of the possibly complicated legal issues involved, the Task Force considered it prudent and responsible to seek legal advice before proceeding with the aforesaid consultation meetings. It unanimously resolved to postpone the consultation meetings, pending solicitation of legal opinion.
3. The Task Force will continue to communicate with the University community regarding the outcome of the legal advice and the estimated timing for resumption of the consultation meetings.
